

## QoG Data Citation guide

Dear user,

This is a citation guide of the data sources you have selected for download. Please make sure to check with the original sources to confirm this information.

### The references for the variables you have selected are:

Teorell, Jan, Aksel Sundström, Holmberg Sören, Rothstein Bo, Natalia Alvarado Pachon, Dalli Cem Mert, Rafael Lopez Valverde, Victor Saidi Phiri, and Laura Gerber. 2025. *The Quality of Government Standard Dataset, Version Jan25*. University of Gothenburg. The Quality of Government Institute. <https://doi.org/10.18157/QoGStdJan25>.

### Datasets used:

#### QoG Data citation:

Please remember to cite our publication as well (Teorell et al. 2025). The citation for our codebook is already included in the list above.
